

ARMAND CABRERA  
WATERCOLOR MATERIALS LIST  
[www.armandcabrera.com](http://www.armandcabrera.com)

### REFERENCE MATERIALS

Bring small sketches or photographs you have shot yourself.

Please do not bring photos that were shot by someone else.

### TARPS

Some venues require a tarp to protect the floors for indoor classes...so be sure to ask about this in advance.

### WATERCOLOR PALETTE

- Chinese White
- Lemon Yellow
- Cadmium Yellow Medium
- Cadmium Red Light
- Alizarin Crimson Permanent
- Cobalt Blue
- Ultramarine Blue
- Viridian
- Ivory Black

Use Professional Grade Paints in small tubes.

Winsor Newton, Schmincke, Old Holland, Sennelier, Holbein or other Professional brands.

Find best prices on paint at [Dick Blick](#) or [Jerry's Artarama](#)

### PLASTIC TRAY

I recommend a tray like the Speedball Tom Lynch Watercolor Palette with Cover

## PAPER

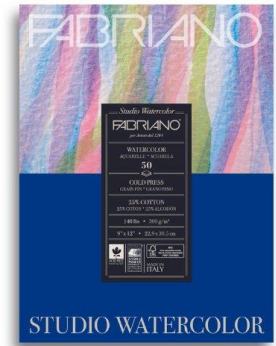

Watercolor paper at least 140 lb / 300 gsm (or higher) single sheets, pads or blocks

No smaller than 9"x 12"; no larger than 18"x 24"

I use Arches, Fabriano or Winsor Newton cold press paper in blocks

A block is a pad where the sheets are attached together for stability.

This allows you to paint directly on the block without having to stretch the paper and tape it to a board.

## BRUSHES

I recommend these animal-friendly watercolor brushes:

All Synthetic, Soft Rounds #2, #6, #10 and a 1-inch soft flat brush

You can find them at Jerry's Artarama or [Amazon](#).
